

SIO STEERING COMMITTEE (2021-2025)

Work plan

IMPROVEMENTS TO THE SECTION

- **Update the SIO Statute**
 - Create a working group to assist with drafting
- **Creation of the SIO listserv**
 - Open only to paid SIO members who work within international organisations
 - The list will be moderated
 - All posts and requests to join will need to be approved
 - Facilitate a space for discussion
- **Update ICA/SIO website**
 - Upload all information from the old UNESCO hosted website
 - Ensure information is uploaded in a timely manner
- **Organise Two meetings a year**
 - One virtual & one physical
 - Physical (Spring): 3 days including a workshop
 - Virtual (Fall): 3 hours, 2 main topics with breakout sessions. Presentations will be short/concise and include lessons learned to facilitate debate
 - Invite speakers from ICA Expert Groups and other ICA Sections
- **Welcome new professionals**
 - Host a virtual meeting for staff with under 5 years experience to present/share information
 - Attendance will be mainly new professionals

RIGHTS & OBLIGATIONS OF ARCHIVES

- Copyright/intellectual property
- Inviolability, privileges and immunities
- Data protection
- Data governance

DIGITAL IN RAM - PEOPLE, TOOLS & ORGANISATION

- SIO to help develop a better understanding of what a digital archivist does - including the creation of a job profile that organisations can use in their recruitment campaigns etc. What type of skills should a digital archivist have in comparison to a traditional archivist?
- Leverage of artificial intelligence
- Digital long-term preservation systems

STRATEGIES, TOOLS & BEST PRACTICE FOR RAM - FOR INTERNAL, EXTERNAL AUDIENCES & PARTNERS

- Donors
- Senior managers
- Stakeholders and donors
- Member states and parties
- Journalists, media outlets and production companies
- Other professions
- Best practice for engaging with and encouraging other disciplines to work with us - compile a list of issues/risks of common interest
