• TNLA new complex building
• TNLA today
• Conclusion
Establishment of Tuvalu National Library and Archives
Relocating of TNLA
Renovation project 1986
## ANNEX 7: Strategic Area 7: Education and Human Resources Matrix

**Goal:** Provide high quality education; equip people with knowledge and skills to develop more self-reliance; promote Tuvalu’s cultural and spiritual values

<table>
<thead>
<tr>
<th>Improved facilities to store and archive national public records, library books, and other library resources</th>
<th>Better storage facilities housed in a new 2-storey library/archive complex at existing or new site.</th>
<th>Improved facilities to store all national public records.</th>
<th>Effective use of archives and library services.</th>
<th>Improved access to information to support students.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Expanded library/archive space for increasing number users.</td>
<td>More storage and conservation space to house the national archives.</td>
<td>Effective/efficient data collection/recordkeeping.</td>
<td>Improved collection of data, public records &amp; heritage material.</td>
</tr>
<tr>
<td></td>
<td>Promote the use of the National Library and Archives.</td>
<td>Upgrade standard of data/information storage retrieval and records (hard copy &amp; electronic).</td>
<td>Systemic (and easier) acquisition of GOT documents.</td>
<td></td>
</tr>
</tbody>
</table>
