Twitter event

#ArchiveHour
This year #ArchiveHour decided to go global by having the International Council on Archives (ICA) as a guest host!

#ArchiveHour is a Twitter event set up by the Archives and Records Association of the UK and Ireland (ARA) and it was first created as a ‘space’ for the Archival/Records Management sector to talk about the issues in the profession, it is a place to get informed advice on the topics that interest you… but also have fun too!

The last Thursday of the month, from 8 to 9pm GMT (Greenwich Mean Time) #ArchiveHour takes place, hosted each month by ARA plus guest hosts! Everyone is welcomed!

When?
25th of February 2021

What time?
From 8 to 9pm GMT (Greenwich Mean Time)

Event duration
1 hour
How it works?

01 On the **25th of February** we are holding International Archive Hour which will look at international archives as the main theme of the event.

02 **Six questions** will be tweeted off the @archivehour and @ICArchiv Twitter accounts in **ten-minute slots**, starting from **8pm to 9pm GMT** on that day.

03 The idea is to get the conversation going for each one of the questions! We would like to hear your thoughts and comments.

04 All the tweet answers should start with **“Q1 – Q2 – Q3 – Q4 – Q5 – Q6 + the event hashtags” #ArchiveHour #InternationalArchiveHour #HoraInternacionalDeLosArchivos**

05 There are no specific guidelines for the promotional materials, feel free to use GIFs or images (as long as they are appropriate for the event and not considered offensive to anyone) and **please use #ArchiveHour on all tweets too!**

06 Once the event is over, a Wakelet folder will be created collecting all tweets that contain **#ArchiveHour** and it will be publicly available through a link in the Archive Hour bio.
