## General Information

### Program and Session Venue

The SPP Jerusalem Conference 2023 will take place at the Knesset, the Parliament of Israel (address: Kiryat Ben-Gurion, Jerusalem 9195015), from 30 May–1 June 2023.

### Participation and Registration

All participants should complete the enclosed registration form by 29 April 2023 at the latest.

### Visas

Please verify if citizens of your country require a visa to enter Israel. The responsibility for obtaining a visa in a timely manner lies solely with conference participants.

### Transportation and Accommodations

Conference attendees are responsible for all air travel arrangements and related costs, as well as for transfer to Jerusalem. To enable optimal participation in all the conference components, we recommend arriving in Israel on Monday, 29 May 2023.

While we are unable to recommend specific hotels, we suggest selecting those located within approximately 500 meters of King David Street.

During the course of the conference, the Knesset will provide shuttles for all participants to the various conference venues. Participants should be prepared to meet the shuttle each morning at the designated departure points, which will be determined based on delegations' accommodations.

### Working Language

The working language of the conference will be English.

### Dress Code

Business casual

Visitors should note that in accordance with the Knesset dress code, entrance to the Knesset is permitted only in dignified and appropriate attire (no tank/spaghetti tops, crop tops, clothing with political slogans, shorts or ¾-length trousers, ripped trousers, short skirts and dresses, tracksuits or sweatpants, flip-flops or clogs). These rules apply to all visitors ages 14 and up.

\*We recommend wearing comfortable walking shoes for the optional culinary tour of Mahane Yehuda Market on 31 May.

### **Security**

Security throughout the conference will be coordinated by the Knesset Guard.

Participants will receive badges before departing for the Knesset on the morning of 30 May. These badges should be worn throughout the seminar and at all venues.

### **Accessibility**

The Knesset is fully accessible to people with physical disabilities. Should you require assistance in this regard, please indicate your needs on the registration form.

### **Dietary Needs**

Please indicate any allergies or dietary needs (e.g., vegetarian, vegan) on the registration form.

### **Internet Access**

Wireless internet access will be available on the Knesset premises.

## **Local Information**

### **Weather**

May/June in Israel is the beginning of the summer, with an average daytime temperature of approximately 30° C.

For an updated weather forecast, see <http://www.israelweather.co.il/english/index.asp>.

### **Currency**

The currency in Israel is the new shekel. Euros and US dollars are accepted in most shops and restaurants, as are most major international credit cards.

### **Electricity**

The power supply in Israel is 220V at 50 Hz. Most power sockets in Israel have three-pin holes, but many of them will work with double-pin European plugs. Visitors who want to use shavers, traveling irons, and other small appliances may need both transformers and adapter plugs.
